

Winfield and Jolowicz on Tort

Winfield & Jolowicz on Tort is the leading textbook on the law of tort and a definitive, all embracing guide to the subject. Though centred firmly on English law, significant case law developments in other major Commonwealth jurisdictions are also considered.

No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators.
