

# Divorce - A Guided Tour

When marital bliss erodes to a living hell on earth, the path from altar to courtroom door is littered with pitfalls from which the unwary may find there is no escape. Battered husbands, transvestite cops, betrayed and jealous wives, and asset hiding spouses---Suzanne Hillier has seen them all in her over 30 years in Divorce work. She examines the issues facing both parties and children of failed marriages and sugar coats her advice pills so you can digest them in the easiest way possible by relating anecdotes of some of her clients who did it all wrong as opposed to those who did it all right, together with strategies to avoid all those rough spots.No one is spared...including certain lawyers and judges. It`s frank, funny, irreverent, and really informative. A GUIDED TOUR through the do`s and don`ts of the divorce process.
