

Screen Jesus: Portrayals of Christ in Television and Film

Since the dawn of film in the 1890s, religious themes and biblical subjects have been a staple of cinema. One of the earliest focuses of screen presentations was the Bible, especially the New Testament and the Gospels. In *Screen Jesus: Portrayals of Christ in Television and Film*, Peter Malone takes a close look at films in which Jesus is depicted. From silent renditions of *The Passion Play* to 21st-century blockbusters like *The Passion of the Christ*, Malone examines how the history of Jesus films reflects the changes in artistic styles and experiments in cinematic forms for more than a century. In addition to providing a historical overview of the Jesus films, this book also reveals the changes in piety and in theological understandings of the humanity and divinity of Jesus over the decades. While most of the Jesus films come from the United States and the west, an increasing number of Jesus films come from other cultures, which are also included in this study. Fans and scholars interested in the history of religious cinema will find this an interesting read, as will students and teachers in cinema and religious studies, church pastors, parish groups, and youth ministry.

All Products ... New Products - more Information Shipping & Returns Privacy Notice Conditions of Use Contact Us Site Map Gift Certificate FAQ Discount Coupons Newsletter Unsubscribe All my gourd creations are original, handcrafted, signed and dated. No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators. If you don't see what you want, please contact me for a custom made gourd creation or inquire about other types of artwork...anything from pet portraits to painted milkcans! Enjoy your visit!
