

The Magic of Bollywood: At Home and Abroad

This anthology aims to portray the soft power of Bollywood, which makes it a unique and powerful disseminator of Indian culture and values abroad. The essays in the book examine Bollywood's popularity within and outside South Asia, focusing on its role in international relations and diplomacy. Established and emerging scholars in literature, theater, film, dance, music, media, cultural studies, and sociology from different parts of the world present their views from multidisciplinary perspectives based on case studies from Australia, New Zealand, the UK, Germany, Russia, the US, Senegal, Pakistan, Bangladesh, Indonesia and Canada, in addition to India.

No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators.
