

Divorce & Money: How to Make the Best Financial Decisions During Divorce

When you're going through divorce, you have to make an overwhelming number of financial decisions. Should you sell the house? What happens to retirement benefits? How will you handle taxes? Full of sensitive and practical advice, *Divorce & Money* guides you through the process of making these important decisions. It covers how to:

- *decide whether to keep or sell the house
- *protect yourself against misuse of joint accounts and credit cards
- *avoid tax problems
- *handle alimony and child support
- *divide debts fairly
- *avoid hasty decisions that could hurt you financially
- *reduce risks to your investments
- *understand how a court evaluates assets and what they're really worth
- *gain financial stability as a single person

The 7th edition includes all new information on divorce mediation and the different types of divorce advisors out there. It also provides updated and expanded tax information, plus a completely revised chapter on custody and support issues.

No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators.
