

Magic: The Adepts Addendum: Keywords and Abilities

All of the keywords and keyword abilities from Magic: the Gathering, plus a ton of game terms you hear all the time. Cross-referencing links let you get the big picture. The Adepts Addendum gets updated as each new expansion is released, keeping you current on what each keyword means, how it works, and how to deal with it. The Shadows over Innistrad update is now included.

No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators.
