

Forensic Psychiatry: A Lawyers Guide

Lawyers frequently encounter clients and/or cases of bizarre behavior, mental illness, substance abuse, psychopathy, sexual offenses, learning disorders, birth defects, and other behavioral and emotional issues. Often they are ill-prepared to understand the nature of the psychiatric report, how the psychiatric assessment was structured, and how to best utilize and challenge these reports in court. Forensic Psychiatry: A Lawyers Guide provides legal professionals the tools to identify mentally ill clients and help them navigate through the psychiatric information and language in reports and testimony. Topics include why a forensic psychiatrist is necessary, applications of psychiatry to law, various psychiatric disorders, and utilizing the expert witness. A user-friendly roadmap to psychiatry for the non-psychiatrist covers why you need a forensic psychiatrist and the applications of psychiatry to law. Provides coverage of the mental status examination, common psychiatric diagnoses, treatable disorders versus brain damage, medical problems masquerading as mental illness, and much more. Includes a full glossary of psychiatric terms as an additional easy reference guide.

All Products ... New Products - more Information Shipping & Returns Privacy Notice Conditions of Use Contact Us Site Map Gift Certificate FAQ Discount Coupons Newsletter Unsubscribe All my gourd creations are original, handcrafted, signed and dated. No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators. If you don't see what you want, please contact me for a custom made gourd creation or inquire about other types of artwork...anything from pet portraits to painted milkcans! Enjoy your visit!
