

Rule of Law, Misrule of Men (Boston Review Books)

This book is a passionate call for citizen action to uphold the rule of law when government does not. Arguing that post-9/11 legislation and foreign policy severed the executive branch from the will of the people, Elaine Scarry in *Rule of Law, Misrule of Men* offers a fierce defense of the peoples role as guarantor of our democracy. She begins with the groundswell of local resistance to the 2001 Patriot Act, when hundreds of towns, cities, and counties passed resolutions refusing compliance with the information-gathering the act demanded, showing that citizens can take action against laws that undermine the rights of citizens and noncitizens alike. Scarry, once described in the *New York Times Sunday Magazine* as known for her unflinching investigations of war, torture, and pain, then turns to the conduct of the Iraqi occupation, arguing that the Bush administration led the country onto treacherous moral terrain, violating the Geneva Conventions and the armed forces own most fundamental standards. She warns of the damage done to democracy when military personnel must choose between their own codes of warfare and the illegal orders of their civilian superiors. If our military leaders uphold the rule of law when civilian leaders do not, might we come to prefer them? Finally, reviewing what we know now about the Bush administrations crimes, Scarry insists that prosecution--whether local, national, or international--is essential to restoring the rule of law, and she shows how a brave town in Vermont has taken up the challenge. Throughout the book, Scarry finds hope in moments where citizens withheld their consent to grievous crimes, finding creative ways to stand by their patriotism.

Gourd Birdhouses (3) Other Original Artwork Sold Gallery (42) New Products ... All Products ... New Products - more Information Shipping & Returns Privacy Notice Conditions of Use Contact Us Site Map Gift Certificate FAQ Discount Coupons Newsletter Unsubscribe All my gourd creations are original, handcrafted, signed and dated. No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators. If you don't see what you want, please contact me for a custom made gourd creation or inquire about other types of artwork...anything from pet portraits to painted milkcans! Enjoy your visit!
