

Fractal Art Adult Coloring Book

Twenty five highly detailed grayscale coloring pages feature the fantasy fractal artwork of Tabz Jones. Fractal art is a definite product of the modern age. Where else could you use mathematical algorithms to create images? The repeating patterns of the equations are manipulated using a software program to change color, form, and shape to create a final artwork that is a one of a kind.

No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators. If you don't see what you want, please contact me for a custom made gourd creation or inquire about other types of artwork...anything from pet portraits to painted milkcans! Enjoy your visit!
