

Goats

Fourteen-year-old Ellis is getting ready to leave the Southwest for a boarding school in the East. This means leaving behind the only real father he has ever known, Goat Man. Goat Man has been raising a herd of goats all the while teaching Ellis the meaning of stability, caretaking, and commitment. And when a skeptical Ellis returns for spring break, he and Goat Man will be forced to re-evaluate their relationship.

No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators.
