

# Word Games: Games, Puzzles & Trivia Challenges

Have you ever said to yourself or heard someone remark I just cant find the words to say- its like it was on the tip on my tongue and I could not recall. Well you are not alone in this feeling! Playing word games with friends is the classic remedy for this issue. Word games help to increase a persons vocabulary subconsciously, improve their logical processing, and help them to express themselves in a more concise manner when speaking with family and friends. So now instead of a person just saying I feel happy, they can say as a result of playing word games- I feel ecstatic!.

 nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness  
 doesn't end. Birds will continue to use them as shelter from weather and for protection from predators.
