

Weather Lore

This extensive collection of Proverbs, Sayings and Rhymes on the weather makes no pretence to scientific accuracy. It does, However, record many of the traditional and popular views on the weather that have been passed down over the years. It makes fascinating and intriguing reading, even to those vaguely interested in the subject. This book was compiled and arranged by Richard Inwards, Fellow of the Royal Meteorological Society and author of the Temple of the Andes. First published around 1893 by Elliot Stock, this is a facsimile published by Pryor Publications.

 stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish
 for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for
 nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness
 doesn't end. Birds will continue to use them as shelter from weather and for protection from predators.
